

## HAZEL & DAVID

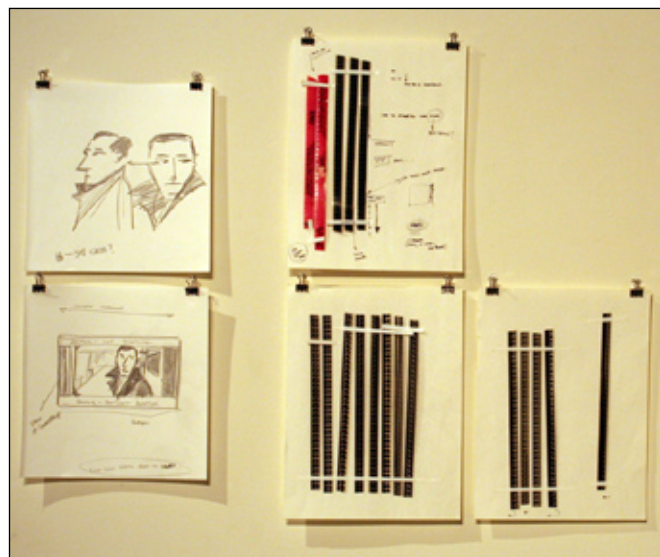

Image: Digital still. 16 MM film on video

### Description of project

Video commissioned by the Academic Film Archive of North America. Re-using film footage from 16mm educational film, by digitizing it and editing frame-by-frame, and changing the narrative of the original film. Later, this became a part of the installation “David Turns”.

### Exhibited

WORKS/ San Jose, Other Cinema, San Francisco, Memorial Union Gallery, University of CA, Davis, Open Video Project, Rome, Italy, Madcat International Film Festival, Finger lake Environmental Film Festival, Ithaca, NY, Salt Lake City Arts Center, UT, AntiMatter International Film Festival, Victoria, Canada.
